... The Spirit of '76!!

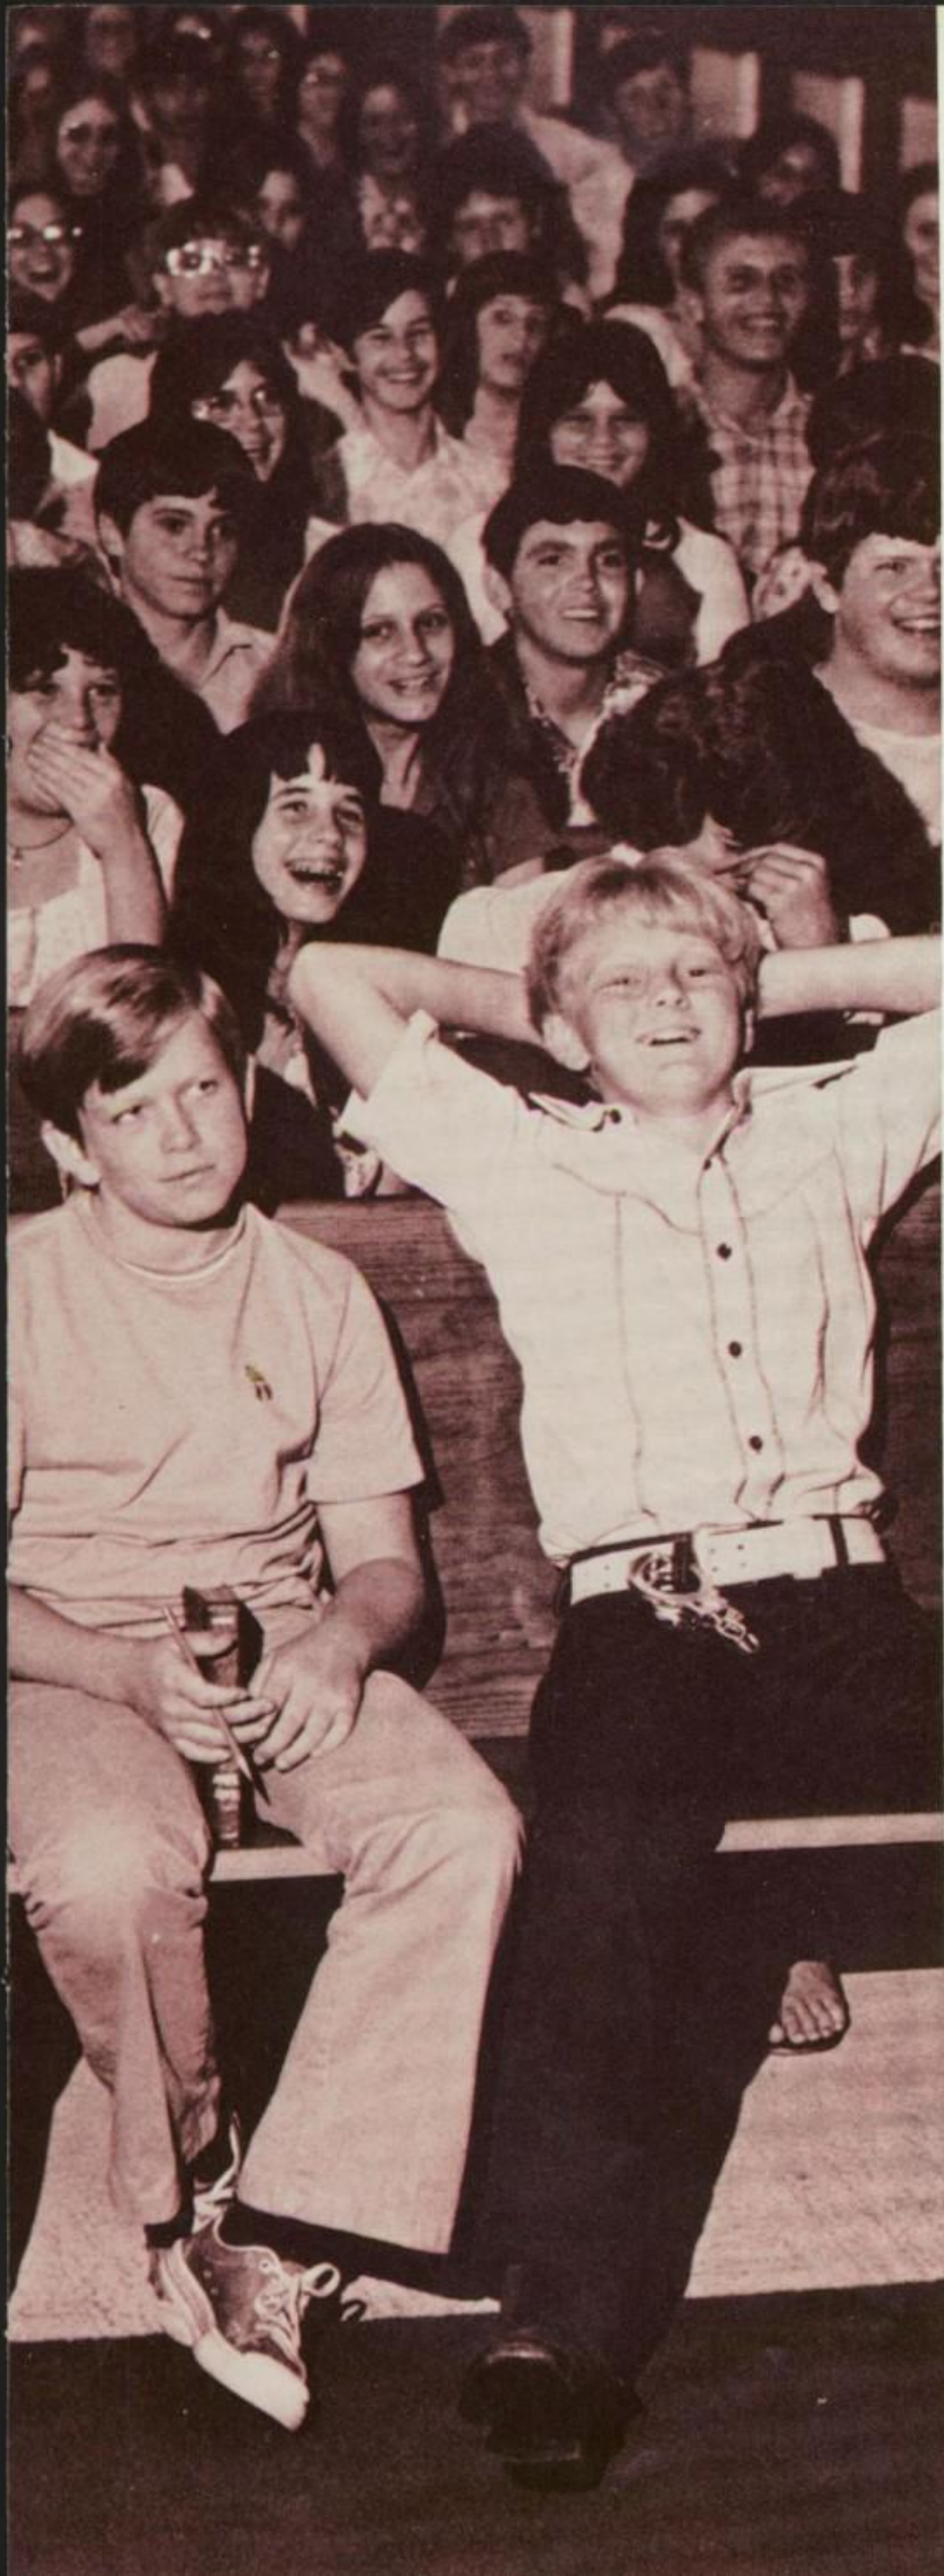

**In This Bi-Centennial Year,**  
Americans everywhere pause to recall the  
people and events that made this nation  
great.

### In This Star-Spangled Year at TCS

we stop to remember the friends and to relive the moments that have made this school year great . . . filled to overflowing with the SPIRIT OF '76 . . .

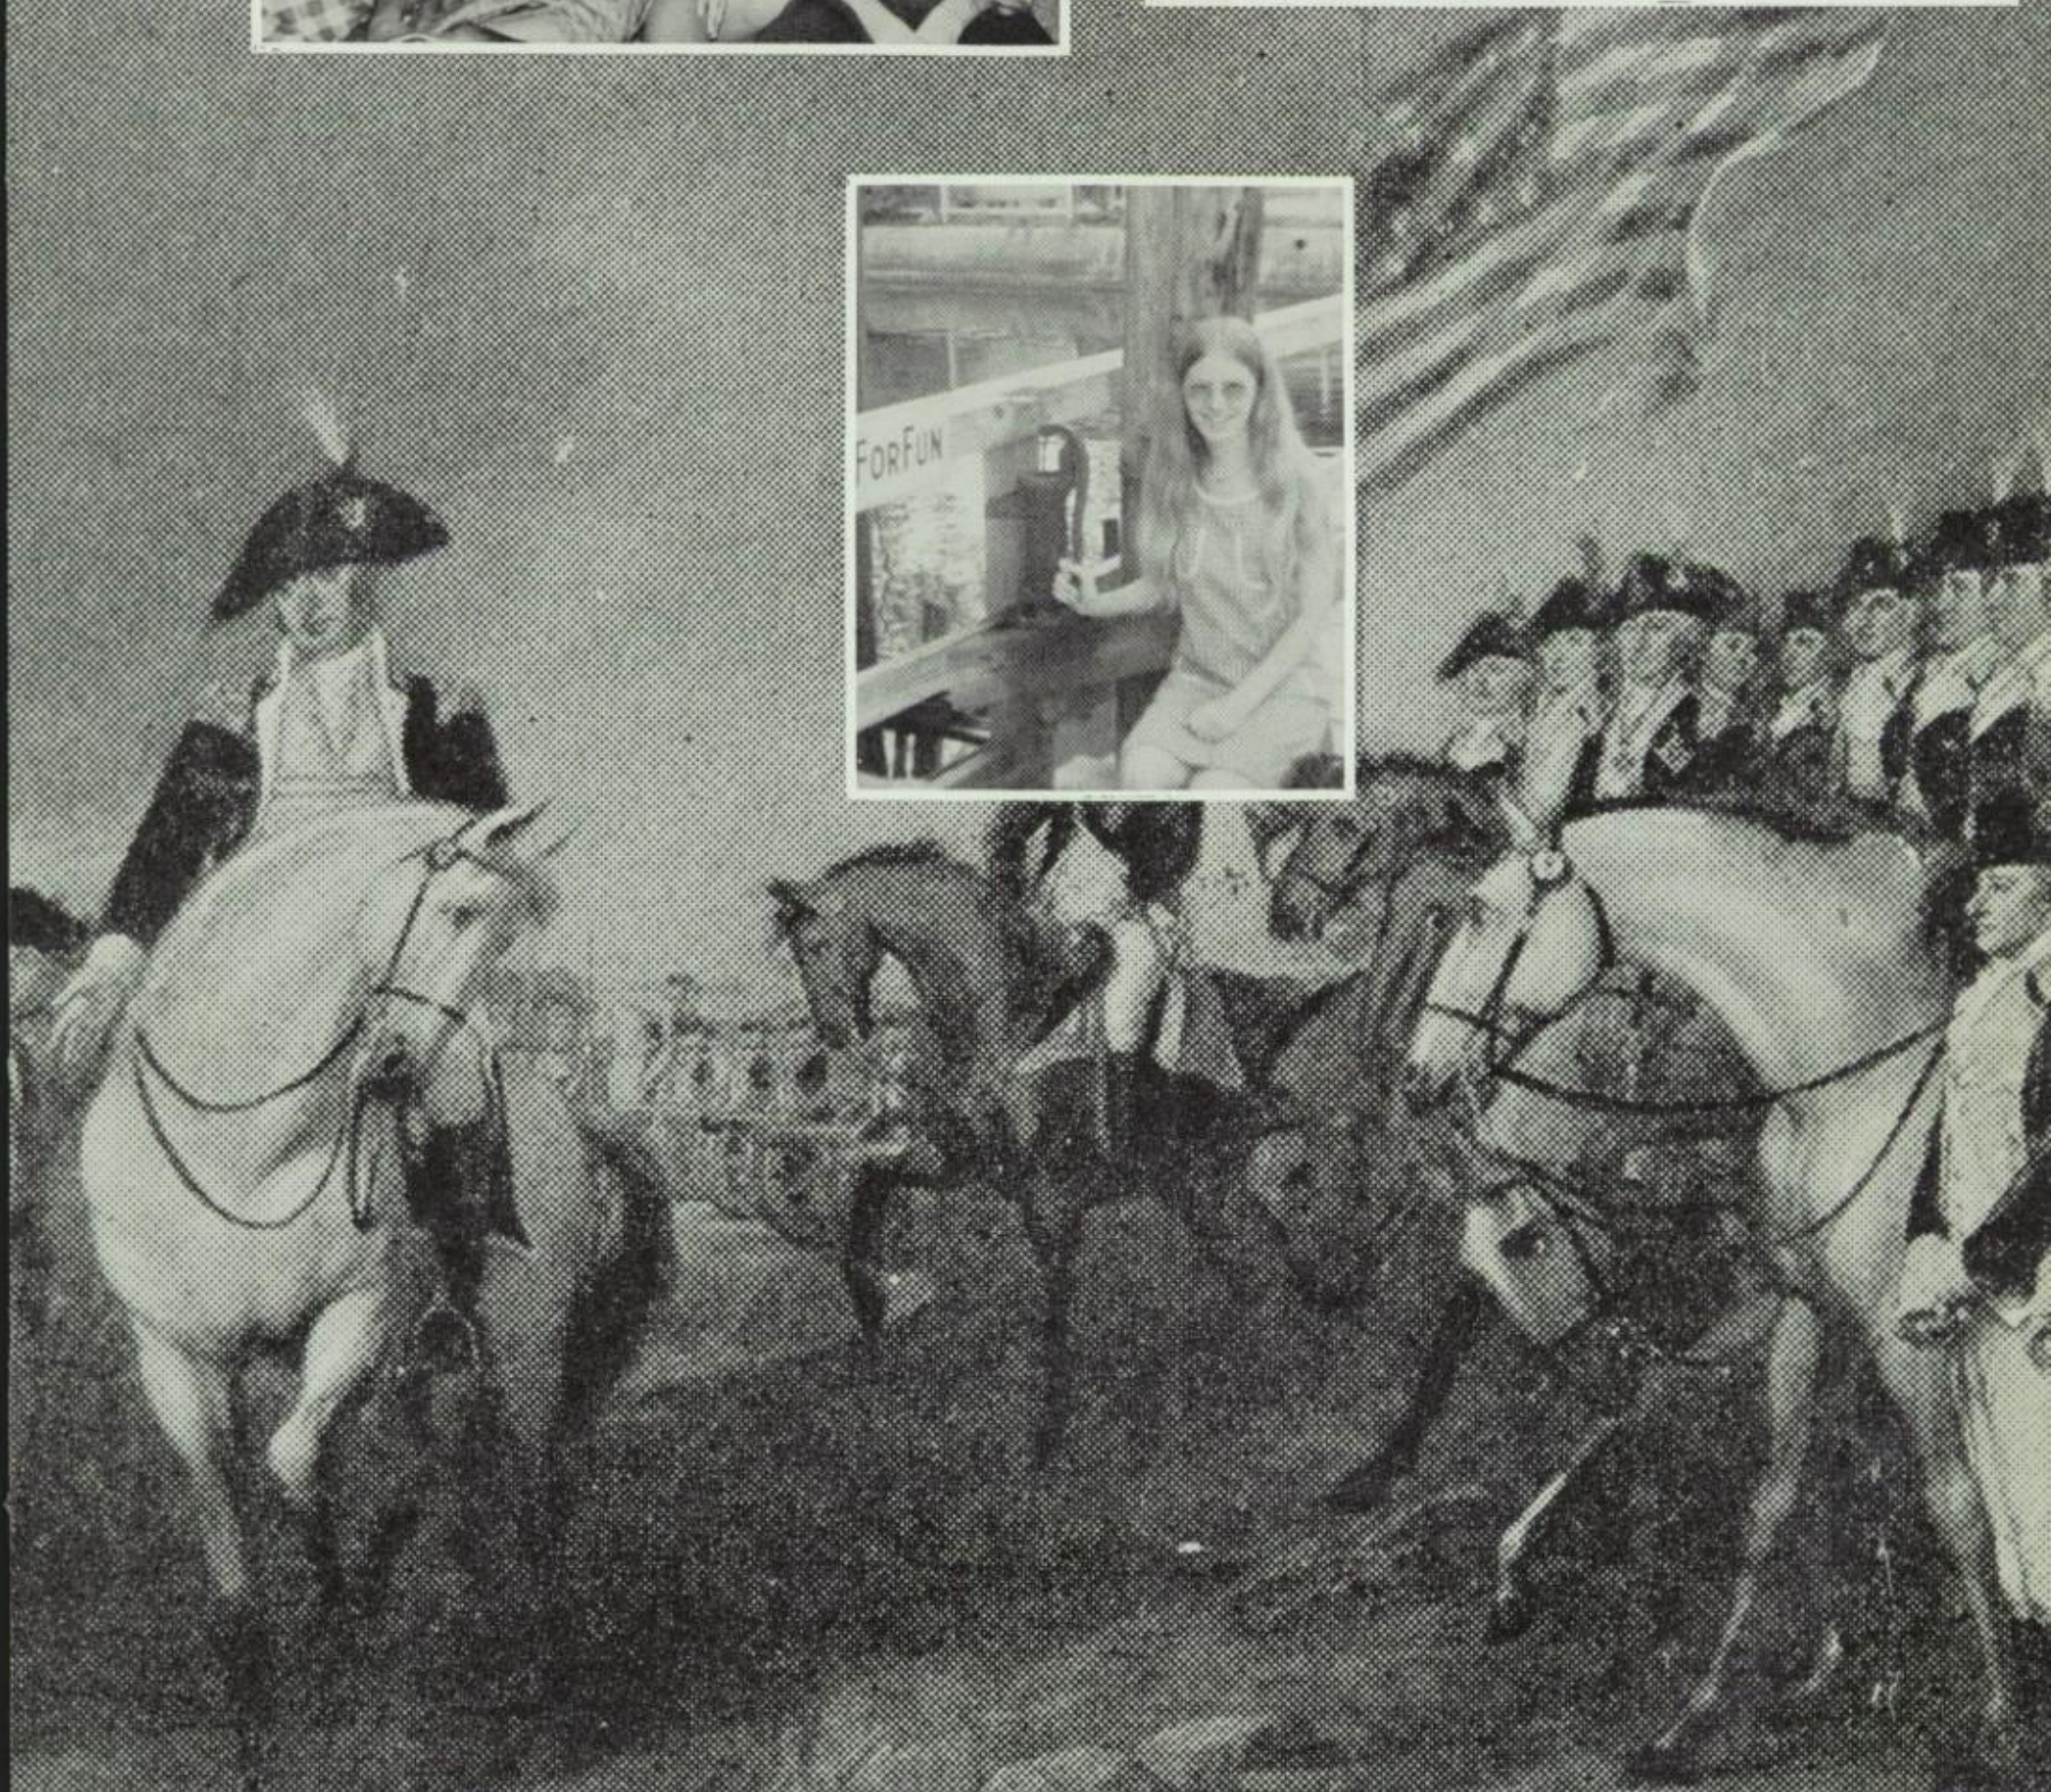

## The Purple And The Gold

'Midst the fragrant orange blossoms,  
As a beacon in the night,  
Stands our stately Alma Mater  
Beaming forth the Gospel light.  
With honor, truth and wisdom  
We her highest ideals hold.  
And reflect the Christian Spirit  
Of the Purple and Gold.

When Christ shall bid us serve Him,  
Our place in life to fill  
School ties will ne'er be broken  
Her standard guides us still.  
And across the distant spaces,  
Tales of fame and courage bold  
Will reflect the Christian Spirit  
And the Purple and the Gold.

# Seniors Write Last Will and Testament for Undergrads, Faculty

We, THE SENIOR CLASS of Tabernacle High School, being of Sound mind (?) and body and bubbling over with the Spirit of '76 do hereby make our last will and testament:

I, DENNIS M. BYRD, being of sound mind and great body, do hereby leave my parking spot to Matt Green, my ability to work in Mrs. Arnold's room to Dan Rogers, my chair in Mr. Pauley's "house" to Doug Blomberg, a "few" good memories to Debbie Patrick, and all the good times and privileges that a senior has, I leave to Kris Ware. To the upcoming class of '77, I give my ability to uphold the highly "suffisticated" standards set by the Class of '76.

I, VANESSA BARRON, being of sound mind and pure body, do hereby bequeath to Bobbi Forsberg, my good attitude towards school, to Linda Pent, my Aunt, who is married to her Uncle, to Lisa Rowe, my locker number, to Faye Koontz, my loud mouth and talkative moods, to Danny Rogers, all my term papers and long English tests, to Kris Ware, his choice of my two formals, to Doug Blomberg, my knitting needles for Home Ec. Class, to Matt Green, my half of Charlene's and my parking space, to Ruth Kelley, my good grades, and to Mike Patrick, my place in line at the water fountain!

I, ALLEN GASKINS, being of sound mind and body, do hereby leave my sound mind and body to whomever would like it, with this one exception: my white legs will go to Richard "Whitey" Koons.

I, DOUG THOMAS, being of sound mind and body do hereby will my defensive end to anyone who likes sweeps, my heartaches to Becki Holder, my parking space to Kris Ware, and my baby brother to Evelyn Morgan.

I, RHEM EVANS, hereby leave my heart, my love, my devotion, my happiness, my feelings, my gym clothes, my tennis shoes, and my legs to Wanda "Bird Legs" Peavy. I also leave my jumping ability to Coach Melton, my height to Doug Bloomberg, and my weight to Matt Green.

I, SUSAN BUCKLES, being of sound mind, leave to Becki Holder all my dirty cheerleading socks, to Eljuria Smith, I leave my good luck that I had with Mr. Moore and Mr. Lewis, to Tammy Alligood, the ability to be able not to yell at Ethan the way I didn't yell at Dan the whole time I've been with him. to Debbie Patrick, a guy just like Dan, my Mom to Linda Pent, my Sister to the boys of the school.

I, STANLEY WHEELER, will my football skills to some worthy Praetorian and my history notes to the Class of '77.

I, KATHY CARNEY, hereby leave my Purplette boots to whoever is dumb enough to wear them, and my whistle to Mr. Baggott and Mrs. Ware to crown the next captain with.

I, TINA MOORE, being of sound mind and body, do hereby leave my Father to the Senior Class of '77, my borrowed swim suit to Becki Holder, and my Brother to whoever wants him.

I, JOANNE WHITLOCK, being of sound mind, (as long as you catch me off T.C.S. property), leave my few good grades to Bobbi Forsberg, frizzy hair to Ruth Kelley, my legs to Lisette Matthieu and Coach Melton, my heart to Ray Carney, my '64 Corvair to Mike Patrick and his '57 Chevy, the phone booth to anyone who has patiently waited all year to call Mom before school, and my knack for getting in trouble to Faye Koontz.

I, ROBIN KIRKLAND, do hereby will my wide-ranged skills and intellectual ability to keep up with Mrs. Arnold's English class first period to some deserving individual, BUT do "NOT" by any means leave a certain Praetorian behind to "anyone" or "anything" classified as such: male, Caucasian, approximately 170 lbs. and VERY good lookin' who wears #39.

I, DAN GREEN, probably the most well liked person ever to come to T.C.S., leave my 3 pair of Levis to Doug Blomberg, my cricket to Kris Ware since he liked it so much and my football equipment to Dan Rogers. I leave my football number to Dennis Rohn or Ron Francis, whoever turns out the toughest. To all my schoolmates a Spirit, that soon T.C.S. will be on the map and a lighthouse to all other schools in the state' midst the fragrant Orange Blossoms

I, CHARLENE LANGFORD, being of sound mind and body do hereby leave my hair of Vanessa's and my parking space to Ethan Ware, my long lovely, flowing locks to Dwight Bain, my giggles to Linda Young, and my good looks to anyone who needs them.

I, BECKY MARSTON, do hereby declare that the following people have my most highest, valuable possessions left here at T.C.S. To Ruth, Eljuria, Becki and Tammy, my great clap, to Wanda, Susan Baggott and Terrie, Songs "I Get So Thrilled With Jesus" and "Granny's In The Cellar", to Donna and Becky, my run thru poles, to Mr. Moore, Room 222 locker, to Mr. Pauley, Chris to Jimmy Moore, notes on Math wall (since Tina's gone), to Mike Evans, W.W.T.C.S.. to Ethan Ware, 13¢, to 10th grade, the best (priviledge characters), to Mrs. Kruyd, my Mom.

## "MR. LOVELY LEGS"

# Ethan Ware Chosen In Tight Election

The "MR. LOVELY LEGS" contest, sponsored by the Purplettes, sparked great interest on campus. In a tight election, Ethan Ware defeated Rhem Evans, second place winner, and Kerry Fouts, third place winner.

Football captain Dan Green crowned the winner and presented bouquets to all three. Ethan and Rhem were given their choice of TCS's most gorgeous girls, "Kristine" and "Denise", alias Kris Ware and Dennis Byrd. Needless to say, Ethan and Rhem were thrilled!

#### AFTER THOUGHTS

Crystal moments from school life, suspended in time and space, never to happen just this way again . . . Like the final notes of the Alma Mater across the darkened stadium, they linger to be savoured and treasured in our hearts . . . What we have lived and learned here will stay with us forever . . .
